

OGSR Library Student Poster Competition

EPEX 2020

Energy Prospectors Expo

June 2nd, Stoneridge Inn, London, Ontario

University and college students: Present your research to industry professionals at the Energy Prospectors Expo for your opportunity to win an *OGSR Trust Scholarship* or *OGSR Trust Award of Merit*.

Recommended Topics:

- Research relating to or applying to Ontario energy or energy storage
- Petroleum geology and resource exploration in Canada
- Geophysical methods and techniques
- Surficial and subsurface mapping of Ontario's geology
- Applications of watershed/fluvial geomorphology, groundwater, and glacial/quaternary geoscience to Ontario Energy or Environmental Research
- GIS technology and techniques used in the mapping of Ontario's energy resources
- Geological problem-solving and mapmaking

Design/Formatting Constraints:

- Landscape or portrait orientation; shortest edge 24 in. – 38 in., longest edge 36 in. to 52 in. (36 in. x 48 in. preferred)
- Simple fonts with large sizes are strongly recommended
- The author's name and association must be included

How to Participate:

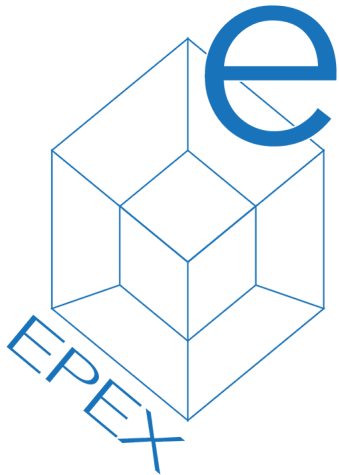

- Be enrolled in post-secondary education (any program) on June 2nd, 2020 or returning in fall
- Apply by emailing the application below to info@ogsrlibrary.com by May 26th, 2020
- Bring your printed poster to display on June 2nd (stands and fasteners will be provided)
- **REGISTRATION IS FREE** for the poster competition and includes access to our *Networking Evening* on June 2nd! Details available from: <http://www.ontariopetroleuminstitute.com/news-events/conference-2020/>

Awards:

- The first-place submission will be awarded the *OGSR Trust Scholarship* - **\$500**
- Two runners-up will be awarded *OGSR Trust Award of Merit* - **\$250**

Criteria:

The panel of judges will make their choice based on significance, presentation, methodology, visual impact and technical quality.
